

HOW TO MEASURE YOUR HEAD FOR A HAT

Using a cloth measuring tape, measure around your head beginning about the mid-forehead area around just above the ear and going completely around.

Take the measurement you get and look at the chart below to find your hat size.

Child ONE SIZE hats will fit up to a size 6 3/4.

Hats will also require an understanding of whether your head is shaped Regular Oval, Wide Oval or Long Oval.

Size Scale

Hat Measurements			
Head Size		Hat Size	
Inches	Cm.	Adult=S,M,L,XL	
		Child as listed	
19-19 3/4	51	6 1/4	XXS/CHILD
20 1/4	52	6 3/8	XXS/CHILD
21	53	6 5/8	XS/ CHILD
21 1/2	54	6 3/4	SM/ CHILD
21 5/8	55	6 7/8	S
22 1/8	56	7	M
22 1/2	57	7 1/8	
23	58	7 1/4	L
23 3/8	59	7 3/8	
23 3/4	60	7 1/2	XL
24	61	7 5/8	
24 1/4	62	7 3/4
